THE South-Carolina Gazette.

Containing the freſheſt Advices Foreign and Domeſtick.

SATURDAY April 15, 1738.

By Capt. Whittle *from* Briſtol *we have the following Articles in the printed Papers.*

THat Saturday Morning (the 7th January) Capt. Fanſhaw, in his Majeſty's Ship the Phœnix, with three Tranſports under his Convoy, with Part of General Oglethorpe's Regiment, their Wives & Children, for Georgia, ſailed from the Nore, and General Oglethorpe returned to Graveſend from on board, where he had been to ſee that the Men were taken care of, and proper Proviſion made for preſerving their Healths.

That the King's Printing Houſe in black Friers was burnt down and all the printing Materials, amounting to ſeveral 1000 Pounds were entirely conſumed. 'Tis ſaid the Loſs in the whole amounts to near 40,000 l.

That the King of the two Sicilies is to marry the Electoral Princeſs Maria-Amelia of Saxony which furniſhes the Politicians with various Conjectures.

That at Conſtantinople great Preparations are making for carrying on the War with more vigour than ever.

That Mr. Savy, on account of ſome Diſcoveries he offered to make in relation to the Deſigns of the Spaniards againſt Georgia &c. has been admitted to Bail

That the Grand Signior and the Empreſs of Ruſſia have accepted the Mediation of the King of France, joined with that of his Britannick Majeſty and the States General.

NEW-YORK, *Febr.* 25.

This Day arrived a Sloop from Corocoa, by whom there is Advice that 3 Sloops were fitted out of that Iſland with 360 Men to make Repriſals on the Spaniards, and had taken a Spaniſh Veſſel with 4000 Pieces of Eight on board.

PHILADELPHIA, *March* 7.

We hear from *Cecil* County in *Maryland*, that a young Woman, Grand-Daughter to Mr. *Matthias Vanbebber*, was burnt to Death, by the following unfortunate Accident. She was alone in the Houſe, the reſt of the Family being on a Viſit about a Quarter of a Mile diſtant; and in taking a Tea-kettle from the Fire, her Callicoe Gown was catch'd by the Flame, and blaz'd up around her. She endeavour'd in vain to beat it out, or ſtifle it, and ran out affrighted endeavouring to reach the Neighbour's; but being overcome by the Fire, fell by the Way. She was ſoon diſcover'd and taken up, but died in a few Hours. 'Tis ſaid a Creek runs by the Door in which the Flames might have been ſafely extinguiſh'd, if ſhe had happily thought of throwing herſelf into it.

We hear from *Trenton*, That two Negroes were laſt Week impriſon'd on the following Occaſion. 'Tis ſaid that they were about to perſwade another Negro to poiſon his Maſter; and to convince him of the Efficacy of the Drug which they preſented him for that purpoſe, and the Security of giving it, let him know that Mr. *Treat* and two of his Sons, Mr. *Lambert* and two of

of his Wives, and ſundry other Perſons were remov'd by their Slaves in that Manner. This Diſcourſe being overheard, they were apprehended and 'tis ſaid have made ſome Confeſſion. But as the Perſons above mentioned died apparently of common Diſtempers, it is not fully credited that any ſuch Method was uſed to deſtroy them. The Drugs found on one of the Negroes, were Arſenick and an unknown Kind of Root.

CHARLES-TOWN.

The Government having received freſh Advices, that ſeveral Veſſels have been ſeen at Anchor before *St. Auguſtine*, proper Meaſures were immediately taken to prevent any Surpriſe, and a well mann'd Sloop is ſent out with one of his Majeſty's Men of War to cruize and get more certain Intelligence of the Deſign of the Spaniards.

April 15. By Capt. *Prew* who arrived here laſt Night, we have the following Information: That he was taken in *September* laſt at the *Havanna* by the *Spaniards*, detain'd and put to cloſe Priſon for the Space of Six Months and Five Days, without being allowed the Liberty to ſpeak to any Body but to the Perſon that brought him Victuals; their Intention was, to employ him as a Pilot in their Deſign againſt *Georgia*. On the 26th of *March* laſt he was releaſed and put in the Stocks on board a Man of War of 24 Guns; but two Days before they ſail'd, freſh Orders came from *Spain* to ſtop their Proceeding: They then diſcharged him; and ſent him in the ſaid Man of War to *St. Auguſtine*, were they put him on Shoar. At the ſame Time arrived in that Port two Snows, two Ships, one Scooner and two Sloops with Proviſions, Ammunition and 500 Recruits, which with other Troops from the *Havanna*, in all 7000 Men, 37 Pinnaces and Lances, and 6 half Galleys, then in the ſaid Port, were to have been employed in the Expedition againſt Georgia, if theſe contra Orders had not been ſent. *If theſe Orders are true or feigned, Time will learn.*
